Celebrating equality and diversity

A CHILDREN’S BOOKSELLERS
CELEBRATING EQUALITY AND DIVERSITY

2013 CATALOGUE

www.letterboxlibrary.com
A not-for-profit Social Enterprise
Dear Letterbox Library Supporter,

This is your bumper annual catalogue for 2013. Do keep hold of it! To those of you who are members of Letterbox Library, you will receive additional leaflets throughout the year. (nb: Membership information is on page 30).

Quality & Equality
Letterbox Library is committed to celebrating equality and diversity in the very best children’s books. For over 28 years, we have been a leading education supplier, bringing teachers, librarians and parents the best in multicultural and inclusive children’s books.

We specialise in children’s books which:
- Show the incredible diversity of our local and global communities
- Are multicultural
- Feature people under-represented in children’s literature—different faith groups, BME communities, refugees, disabled children
- Challenge gender stereotypes
- Explore personal and social issues—family break up, personal safety, bereavement, bullying.

Expert Selection
We search for the best children’s titles from a vast range (currently over 200) of UK and overseas publishers, including independent and charity sector publishers. Many of our titles aren’t easily available elsewhere.

Every book we sell has been approved by our Advisory Group following reviews by our independent volunteer readers who include teachers, librarians, early years staff, childminders, parents and, of course, children themselves.

All of our books have been chosen for their celebration of equality and diversity as well as their excellence in storyline/artwork and their strong child-appeal.

In addition to our selection of individual titles, we also compile themed book packs. These have been designed to reduce the work load of busy professionals and are ideal for meeting primary and early years curriculum goals.

We are passionate about resisting commercial trends. We want to offer children real choices in what they read.

Benefits of Letterbox Library
- Letterbox Library brings you inclusive, high quality and original books which meet key educational goals for early years providers and schools.
- Our rigorous selection process saves you time and money.
- You can be confident that you are choosing from the best and most recent children’s books available.
- We are committed to providing you with ethical, high quality and honestly priced products.
- We reward customer loyalty with generous discounts.

Co-operative and Ethical
Letterbox Library is a not-for-profit social enterprise and a co-operative. Co-operatives are based on the values of self-help, self-responsibility, democracy, equality, equity and solidarity. Co-operative members believe in the ethical values of honesty, openness, social responsibility, and caring for others.

HOW TO USE THIS CATALOGUE

The contents of this catalogue are divided into early years and primary sections.

For your convenience and to save you time, we have compiled almost all of our books into special book packs which are also then discounted for members. Do remember, however, that you can also buy any of our books individually.

Many books include a review by one of our independent volunteer reviewers - the “LL” next to these quotes is an abbreviation for Letterbox Library.

Any book marked with the blue D means that the title refers directly or indirectly to disability.

See page 30 for ordering information. You can order by phone, fax, post, email or on our website. You can use your own purchase order forms or use our order form on page 31.

LETTERBOX LIBRARY SERVICES

Selection Service
We can provide you with a friendly professional book selection service. Just contact us with your needs and budget and we will put together a selection of books for you. We can also create tailor-made book packs for your schools/settings.

Books on Approval
Letterbox Library offers a free books-on-approvals/book display service to customers who are spending £150+. This gives time and choice in book selection as well as allowing others to be involved.

Schools/Nurseries Visits
We can bring our books direct to your door and support you in your book selection. We currently offer a visits service to individual schools and nurseries based in London who have a budget of £150+ to spend. We hope to extend this to other regions in the future.

Attending Events
We attend as many as our small staff team allows! You will often see a Letterbox Library stand brimming with books at regional and national resources fairs and exhibitions.

Multiple Catalogue
We can supply you with multiple copies of our catalogues for your training events and conferences.

If you are interested in any of these services, do contact our office on 020 7503 4801 / info@letterboxlibrary.com.
